API Sample Submission Form

Purchaser Information

Purchaser Name | Telephone Number | Fax

Company Name/Address

Pay by ☐ PO PO # _____
NEW clients, please submit HARDCOPY Purchase Order

☐ Per Agreement

☐ Credit Card, please call Pion with Credit Card information

Client Information

Client Name/Address | Telephone Number | Fax

Email | *p*ION Quotation Number:

☐ email the report in addition to hard copy

Analysis

☐ **Standard** turn around (10 -15 business days) ☐ **Rush** (< 5 days) 50% surcharge, not available on PLUS services)

☐ pKa ☐ log P/log D

Name/ Identifier and Lot #

Submitted as: ☐ Solid ☐ Solution _____mM

Formula Weight _____ %Purity _____

Counter Ion _____(HCl, tartrate, etc) Moles Counter Ion/Mole Compound _____

The compound is soluble at 100 µg/mL in: ☐ water ☐ methanol ☐ DMSO (if solubility is not known, rank from most (1) to least (3) soluble)

Draw entire structure or ionization groups with corresponding predicted pKa values and log P value

Additional Information or Storage Conditions:

For Pion Use Only | Date Received | Initials

Additional Information:

1. Compounds should be submitted in vials, with weight (amount) listed on the vial.
2. Please send 20-25 mg per compound for pKa/log P (if you do not have this amount, please contact Pion directly)
3. Please include MS/DS sheets, or any additional information such as storage or stability along with your samples.
4. Compound(s) will be destroyed four (4) weeks after testing is complete.
5. Send your Purchase Order to accounts@pion-inc.com; Questions about submission, email otsinman@pion-inc.com

Please use a separate sheet for EACH compound.

Please include this spreadsheet with compounds and mail to: ATTN: Analytical Services, Pion Inc., 10 Cook St., Billerica, MA 01821
